CARIBBEAN DESTINATIONS

Freeport, The Bahamas

Where Nassau is a blend of the old and new, Freeport/Lucaya is a modernistic planned city. It's situated on the the Bahamas' second most popular tourist destination, Grand Bahama (G.B.I.); which is the second most popular tourist destination. Freeport is the resort center of the Island where much action can be found. Here are long stretches of deserted, clean-white beaches. There are many inviting hotels, a major casino and night-time entertainment as well as world-class scuba diving facilities. On the eastern and western ends of the Island are serene and quaint settings and finding hide-away spots is not uncommon. Shopping is also a feature as one can stroll through Port Lucaya and discover duty-free treasures from around the world. According to a census taken in 1990, there are 40,898 persons living in Grand Bahama, of which 12% were non-Bahamians and 88% were Bahamian. Grand Bahama is also home, situated at the Lucayan National Park, to one of the oldest underwater cave systems in the world.
